Description

Atlas Estate Agents are proud to present the opportunity for a purchaser to acquire one of the best sites in South Liverpool.

With a south-facing rear garden, in the sun for most of the day, this plot is the best of a half an acre dropping gently to face the Welsh hills.

The home was designed and built in the 1930s by the Liverpool City Building Surveyor for his own occupation. The property has only ever been owned by two families, with the current owner acquiring it in 1984.

Little has been done to the house since the acquisition by the present owner, giving the buyer the opportunity to stamp their own personality on the property. With vision, energy and judicious expenditure, this property could be one of the most desirable homes in South Liverpool.
